EQUINE PORTRAITURE

BLACK OR WHITE BACKGROUND SESSIONS

EXCLUSIVELY EQUINE

\$200 per session | 5-6 images | approx 10-20 minutes

Studio type photos of your horse with black or white background. Your choice or do a session of each. We capture several poses that beautifully highlight your horse, including a full body image with reflective floor treatment in post-processing for a polished, modern look. This session is for the horse only.

EQUINE & EQUESTRIAN

\$300 per session | 7-8 images | approx 15-30 minutes

Show off with your horse in our new Equine & Equestrian sessions. Black (or White) Background photos of horse and human. This session delivers a couple images of just the horse and the rest are you and your partner together. One outfit change included per session.

+ FINE ART ADD-ON

add \$150 | 4-6 additional images

A study of the pretty, finer details of your horse added into your gallery for a more artistic flair. Fine art close ups of your own horse make gorgeous statement pieces for your home, barn, and office walls. Only available as an add-on to any black or white background session.
